International Capacity Development for the Civil Service – The Sustainable
Digitalisation Agenda”

Dear Prof. Dr. Tang Lixia,

It is my pleasure to invite you as a representative of the China Agricultural University to the international conference “International Capacity Development for the Civil Service – The Sustainable Digitalisation Agenda”, taking place from 5 – 8 May 2024 in Cape Town, Republic of South Africa. The joint conference of the IDOS / German Institute for Development and Sustainability's 'Managing Global Governance' (MGG) Programme and the National School of Government (NSG) in South Africa continues the cooperation of Schools of Public Administration and training institutions in the MGG network on capacity development for the 2030 agenda, which was established in 2018. Please see the concept note and the programme draft for more information on the agenda.

The conference programme begins with a cultural networking event on Sunday, 5 May and ends on Wednesday, 8 May. We recommend arrival in Cape Town on Saturday, 4 May and departure on Thursday, 9 May 2024. The invitation to participate in the conference implies funding to cover costs related to travel, accommodation (4 – 9 May) and conference-related subsistence for the events specified in the programme. We ask for your kind understanding that all other expenses (costs for visa and meals beyond the conference programme) need to be borne by participants

IDOS / MGG provides logistical support for the organisation of the travel. Kindly confirm your participation with our logistics team (MGG-GNC-2023@idos-research.de) to prepare the travel arrangements. We very much hope that you will be able to join us in this important event.

With kind regards,

Dr. Wulf Reiners
Head of 'Managing Global Governance' (MGG)
Programme on Inter- and Transnational Cooperation
Knowledge Cooperation and Training
