Invitation Letter

Dear Prof Xu,

We are honored to invite you as a distinguished speaker to deliver a speech to **'The International Forum for Impact Investing'**, organized by Finance Center for South-South Cooperation. The Forum will be held in JW Marriott, Hong Kong, China, on January 7-8, 2025. The forum, themed "Impact Investing: New Vision, New Fortune", will focus on the global trends, strategy and policy innovations, and practical experiences in impact investing.

Key highlights of the forum include keynote speeches, fireside chats, and multiple parallel sessions exploring core topics on impact investing for sustainable development. The forum is expected to gather approximately 200 participants, including investors, policymakers, technologists, and scholars from international organizations, governments, businesses, and academia.

Your expertise is well known and will add great value to this event. We look very much forward to your presence, and greatly appreciated that the cost related to the trip will be covered by the China Agricultural University. We would be very grateful if you could kindly confirm your attendance by 6 December, 2024. If you have further questions, please feel free to contact my colleagues of the forum: gloria.yang@fc-ssc.org; michel.zhou@fc-ssc.org.

Warm regards,
Sincerely,

Dr. Zhong WU
