To whom it may concern

I'm pleased to invite Dr. Li Li (born on 19 June 1980), Associate Professor from College of International Development and Global Agriculture (CIDGA)/College of Humanities and Development (COHD) at China Agricultural University (CAU) as a Visiting Scholar (Visiting Fellow according to IDS processes) at Institute of Development Studies (IDS) for 6 months departing China in March 2023. Dr. Li's research will focus on "Sharing Development Experience of China as Global Public Goods through South-South Cooperation Mechanisms". Dr. Jing Gu has agreed to be the supervisor during her visit.

It is my understanding that the China Scholarship Council fellowship will cover the daily expenses and an international round-trip for Dr. Li. We will provide facilities (library, seminars, computer, wifi, etc.) that are required for her research and study here. Office space might be charged for providing a hot-desk system in an open-plan office (£55 a month).

Please contact me if you need any further information.

Sincerely,

Jing Gu
